

## Discounts at leading retailers with Perkz

Centrica has teamed up with online employee benefits provider Perkz to offer employees discounts at well-known retailers including those shown opposite.

These are genuine discounts, not available elsewhere, so in order to access them you will need to register at the Perkz website. Registration and usage is free-of-charge.

As well as discounts at over 130 retailers the Perkz **Special Occasion Service** will proactively remind you of important birthday and anniversary dates and suggest suitable gift ideas. And with Perkz **Search** you can search by retailer, product or brand.

To register go to [www.perkz.com](http://www.perkz.com) and click on the message that states, "If you are a first time user [click here](#)." You will then be asked for your company code. This is **CENTRICA**.

Follow the on-screen instructions to complete the rest of the registration process, and you will then be able to take advantage of Perkz special offers.

Discounts are updated regularly so register today and don't miss out!

If you require any assistance with Perkz, or have any suggestions for retailers you would like to see featured, please email [help@perkz.com](mailto:help@perkz.com).
